FAITH

F – FUNDamentals

- Keep it fun and simple. Daily reminders of how you felt when you signed your written agreement and how happy, blessed, grateful and thankful we are to be a part of the most amazing company in the world. We are taught by the best of the best to pass on Mary Kay Ash's wish to, "pass it on," as she intended. Always do what is best for others and it will always come back to bless you.

A – Acknowledgement

- You Can't Do It Alone. Ask for help from family, friends and sister consultants. Hire an assistant to help package product. And always trust in God. Keep being your best and you will get to where you are supposed to be.

I – Integrity

- Run your business with excellence. Return phone calls; follow-up with customers, team members and your director expediently. Provide product within 24 hours of purchase.

T – Team

- Love your team; Let them know how much you appreciate each and every one often.

H – Heart / Head

- Follow your heart and take the complex mental aspect of the business out of the picture.
